## School Picnic

organizes educational and fun-filled school picnics to provide students with enjoyable learning experiences outside the classroom. School picnics help students relax, explore new places, and build stronger friendships in a joyful environment.

### Purpose of the Picnic

- To encourage outdoor learning and exploration
- To provide students with recreation and enjoyment

- To develop teamwork and social interaction
- To create memorable experiences for students

### Picnic Activities

- Fun games and group activities
- Educational visits and sightseeing
- Music, entertainment, and refreshments
- Team-building activities and outdoor learning

## Safety & Care

The safety and well-being of students remain our top priority. Teachers and staff members accompany students throughout the trip to ensure proper care, discipline, and guidance.

## Parent Support

Parents are informed in advance regarding picnic schedules, timings, and necessary instructions for students.

**“Learning Beyond the Classroom Creates Beautiful Memories.”**
